### Adventure Protection Pack

Wherever you go exploring, the adventure protection pack helps protect your UX from dirt, mud and sand. This pack features a combination of front and rear mudflaps, boot liner, rubber floor mats and be Black Premium Fabric Upholstery

### Vertical Detachable Towing

Attach the lockable tow ball when you need it, remove it when you don't to boost the versatility of your UX. Towing capacity of UX: 750kg.

### Style Pack

The Style Pack, with these stylish aerodynamic skirts which emphasise its dynamic sporty appearance, helps you to make even more of a statement.

Front skirt: this skirt integrates into the lower edge of the bumper to give your UX a powerful, low profile look

Side skirt: extend the styling of your UX's side sills to maximise its uniquely sporty looks

Rear skirt: the wrap-around styling puts a dynamic finishing touch to your UX's dynamic and sporty appearance.

### Illuminated Scuff Plates

Style and sophistication shine out from these illuminated scuff plates and give your UX an extra touch of class.

### 18" alloy Gloss Black Machined

The glossy black machined finish and high performance 10-spoke design create an unmistakable look of urban sophistication

## TERMS & CONDITIONS

Vehicles in the Lexus range come with high specifications as standard. As a result, the 'on the road' price\* includes not only all those items generally offered as extras, but also many advanced features exclusive to Lexus.

Details of the extensive technical specifications and interior appointments of each model are described fully in the main brochures. Whichever model you choose, you can look forward to a standard of After Sales service that's second to none, provided by a network of Lexus Centres individually selected for their exemplary record in customer care.

Some Lexus vehicles (including certain specifications and colour/trim combinations) are built to order and could take approximately 2 to 3 months from time of purchase to delivery. For detailed information on lead times, please consult your local Lexus Centre.

### WARRANTIES

#### THREE-YEAR COMPREHENSIVE WARRANTY

Any defect that is attributable to a manufacturing or an assembly defect under normal use is covered by your warranty. This provision applies for a period of three years or 60,000 miles, whichever comes first, with no mileage limit for the first year. In the event of a breakdown immobilising your Lexus, the cost of recovering it to the nearest Lexus Centre is also covered if that breakdown is the result of a warrantable defect.

#### FIVE-YEAR HYBRID COMPONENT WARRANTY

For hybrid models, certain components within the hybrid drivetrain system have a five-year or 60,000 miles warranty, whichever comes first. For more information please contact your local Lexus Centre.

#### THREE-YEAR SURFACE RUST AND PAINTWORK WARRANTY

The warranty offers three years of cover for surface rust and paint defects appearing on any of the painted body panels due to a fault in material or workmanship. There is no mileage restriction on this.

#### 12-YEAR CORROSION PERFORMANCE WARRANTY

A 12-year unlimited mileage warranty covers the vehicle against rust perforation through any sheet metal body panel (subject to certain exclusions specified in the warranty booklet) occurring as a result of a manufacturing or assembly defect in the vehicle. The warranty booklet supplied with each new vehicle gives full details. This warranty is also transferable to subsequent owners.

### SERVICE PLANS

Service plans are a flexible way of managing the cost of servicing your Lexus. With a service plan you can ensure that your vehicle is maintained to the standards you would expect from Lexus-trained technicians fitting the highest quality Lexus parts\*\*. The Approved Pre-Owned service package can be tailored to your needs. Please contact your local Lexus Centre for a quote.

### QUOTED MPG FIGURES

Figures are provided for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results. Fuel consumption and CO<sub>2</sub> produced varies significantly depending on a number of factors, including the accessories fitted (post-registration), driving style, conditions, speed and vehicle load.

All models and grades are certified according to the World Harmonised Light Vehicle Test Procedure (WLTP), which replaces the New European Driving Cycle test procedure (NEDC).

All CO<sub>2</sub> figures quoted are NEDC equivalent. This means the CO<sub>2</sub> figures are based on the new WLTP test procedure but calculated (using a standard European calculation method) to allow comparison with the NEDC test procedure and will be used to calculate vehicle tax on first registration. All mpg figures quoted are full WLTP figures.

More information can be found by visiting: [www.vehicle-certification-agency.gov.uk/fcb/wltp.asp](http://www.vehicle-certification-agency.gov.uk/fcb/wltp.asp)

### LEXUS FINANCIAL SERVICES

Lexus Financial Services offers an extensive range of finance products, including Lexus Connect - Contract Purchase, Lexus Connect Personal Contract Purchase and Lexus Connect - Contract Hire. Products that offer a combination of benefits designed to make acquiring a Lexus as easy as driving one. Whether you are a private motorist looking for the most flexible, affordable options or a business wishing to boost cash flow and tax-efficiency, our finance products provide attractive, refined solutions.

Your Lexus Centre will be happy to discuss the full range of financing options available and create a finance quotation that is right for you. When you choose to go ahead your Lexus Centre will arrange your application.

Delivering complete customer satisfaction underpins everything we do at Lexus, so once you commence an agreement with us, you can rest assured that our team of UK-based customer service representatives are only a phone call away if you have any queries.

Finance subject to status to over 18s. Terms and conditions apply. Indemnities may be required.

\*'On the road' price comprises list price, £700 delivery charge, £26 number plate allowance (all inclusive of VAT) plus 12 months Vehicle Excise Duty (variable, depending on model) and £55 Vehicle First Registration Fee.

\*\*The service plans exclude cambelt/timing chain changes.
