LEXUS GAP INSURANCE

LEXUS GAP INSURANCE IS A GREAT WAY TO PROTECT YOUR INVESTMENT IN THE UNFORTUNATE EVENT THAT YOUR CAR IS WRITTEN OFF.

It's simple to arrange and should you need to claim, could provide a valuable benefit to you or your business.

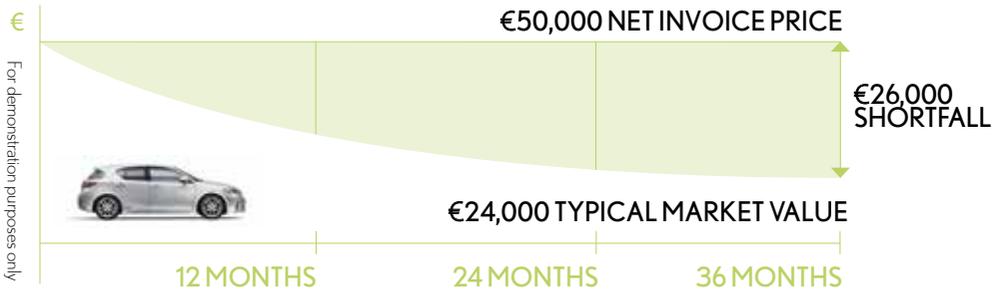

WHAT COULD HAPPEN IF YOUR CAR IS WRITTEN OFF?

If your car is declared a write off by your insurance company as a result of an accident, fire or flood damage or stolen and unrecovered, your motor insurance company may only pay out the current market value of your vehicle. (See next page for definitions).

The current market value is likely to be less than the amount you paid for the vehicle and if you have finance it could be less than any outstanding finance settlement.

Potentially, this could leave you with the problem of having to find extra funds to get you back into the driving seat of a new Lexus or to pay off your finance agreement.

WHAT LEXUS GAP INSURANCE CAN DO FOR YOU

To help avoid this situation, Lexus can offer you Lexus GAP Insurance to protect you for up to 36 months from the start date of the policy.

Lexus GAP Insurance helps you cover the shortfall in funds to cover the cost of a new Lexus or settle any outstanding finance if your car is written off.

See below for how Lexus GAP Insurance could help you.

NET INVOICE PRICE

€50,000

For demonstration purposes only.

This is the vehicle cost. It does not include non-Retailer fitted options and extras such as Motor Tax, insurance premiums or negative equity.

TYPICAL MARKET VALUE €24,000

This is the value of the insured vehicle (excluding contents) at the date of loss as assessed by the motor insurer.

SHORTFALL

€26,000

This is the amount your Lexus GAP Insurance policy could pay to help you replace your car.

What's more, Lexus GAP Insurance could contribute up to €500 to your motor insurance excess payment in the event of a successful claim.

If your finance settlement figure is greater than the Net Invoice Price, your claim payment will be calculated as the difference between the finance settlement figure and the market value of your car. This means you could receive a greater amount in order to settle your finance agreement.

YOUR COVER AT A GLANCE

THE BENEFITS OF LEXUS GAP INSURANCE

Lexus GAP Insurance may enable you to purchase a similarly priced vehicle, or alternatively pay off the amount outstanding on your finance agreement if your car is written off.

What's more, even if the finance settlement amount is greater than the Net Invoice Price, you don't need to worry, as Lexus GAP Insurance will cover this additional amount.

- Lexus GAP Insurance protects your vehicle for 36 months
- The maximum benefit is equal to the lower of the Net Invoice Price of your vehicle or €120,000.

TYPE OF INSURANCE, COVER AND SIGNIFICANT FEATURES AND BENEFITS

Market Value is the value of the Insured Vehicle (excluding contents) at the Date of Loss as assessed by the insurers of the Motor Insurance.

Net Invoice Price

This is the price paid by the Insured for the Insured Vehicle including all factory or Retailer-fitted options specified in the Insured Vehicle's manufacturer price list, and any discount given but excluding the price paid for accessories and extras not specified in the Insured Vehicle's manufacturer price list, Motor Tax, dealer delivery charge, fuel, paintwork and upholstery protection kits, insurance or warranty premiums (including the premium for this policy) and any negative equity.

If the vehicle you are buying is later the subject of accidental damage, fire or theft and 'written off' by your Motor Insurer, you could be faced with a financial 'gap' between the Market Value of your written off vehicle and the Net Invoice Price which Lexus GAP Insurance could cover.

If the vehicle is financed and the settlement figure on the finance agreement is greater than the Net Invoice Price, the benefit will be calculated using the finance settlement figure and this will be paid direct to your finance company on your behalf.

If you wish to understand more about the way in which the 'gap' is calculated, you should read the definitions section of the Terms and Conditions.

LEXUS GAP INSURANCE SUMMARY OF BENEFITS

TRANSFERRING YOUR POLICY

If the insured vehicle is written off within 12 months of the start date of your Lexus GAP Insurance policy, and your motor insurer provides you with a replacement vehicle, you may transfer your policy to the replacement vehicle, subject to conditions and an administration fee (please see the Terms and Conditions).

PAYMENT OF PREMIUM

You can pay your Lexus GAP Insurance premium in a single payment for the total amount.

SIGNIFICANT AND UNUSUAL EXCLUSIONS

The cover under the Insurance cannot be transferred by you to any subsequent owner of your vehicle.

Your claim will not be covered if:

- the driver does not have fully comprehensive insurance
- the vehicle does not become the property of your Motor Insurer following a 'write-off'
- your vehicle is stolen by a person who has access to its keys

The Policy does not cover:

- any amount carried over from your previous agreement (negative equity)
- any excess over €500 deducted under your motor insurance

The Policy is not renewable.

Certain vehicles cannot be covered by this Insurance (see Terms and Conditions for a definition of 'Eligible Vehicle').

If the risk covered by the Insurance is also covered by any other insurance the Insurer will pay only its fair proportion of any claim.

If the Insured declines the offer of a replacement vehicle under the terms of the Motor Insurance then the Insurer reserves the right to settle the claim based on the cost of a brand new replacement vehicle as at the date of loss by reference to the Car Sales Guide. This means there may be no benefit payable as the cost of a brand new replacement may be the same as the Net Invoice Price.

For the full list of exclusions and limitations to the Insurance cover you should read the Terms and Conditions, particularly the sections headed **Conditions** and **Exclusions**.

EARLY TERMINATION AND RIGHT TO CANCEL

Upon purchase you have 30 days to cancel this policy and receive a full refund of premium provided no claim has been incurred. If you cancel later than 30 days after receipt of your policy, provided no claim has been incurred, you will receive a partial refund of premium on a pro rata basis. To administer the refund, an administration charge will be deducted from the premium refund.
